

# DIRECTOR REGISTRATION WAIVER

**By checking this box I (the director) and we (the group) agree to all of the following:**

1. I will obtain photo/video waivers for every participant who submits a video as part of our group project. Participants will be provided a link to submit their video only upon submission of the waiver.

2. I release the respective publisher or GPG Music from any damages or losses of person or property occurring from any circumstances that may occur while the group participates in this project.

3. I understand that all purchases are non-refundable, including any Participant who is not included in the video due to not submitting a waiver.

4. I understand that the song selection is licensed only for the purpose of this project and should we print and retain copies for additional purposes agree to email a request to purchase copy/copies to the Virtual Director at [admin@gpgmusic.com](mailto:admin@gpgmusic.com) and refrain from use until additional licensing has been granted.

5. I understand that all purchases include but are not limited to: synchronization rights for video production of our selected piece for public viewing up to 100,000 views; PDF copies of individual parts for use in this project; creation of our custom group portal; production of a custom practice audio track and video coaching; downloading, editing, production, delivery of completed project; licensing for distribution (GPG Catalog Only).

Synchronization licensing is required for all musical selections from publishers other than GPG Music.

6. I understand That once the project is complete the music publisher retains the intellectual property (IP) rights of the video and to contact the respective publisher for licensing for any performance beyond the explicit scope of this Project.
